

New York 26 Oct 1864.

Dear Debow,

I arrived in  
good case & went at  
once to the Museum  
& found all well & got  
a good breakfast.

I have secured  
Chas. Goosher's waiter  
& I find he is the  
same man Harry  
had. It was a  
comfort to hear my  
little birds & little  
insects & animals
